About the DCO

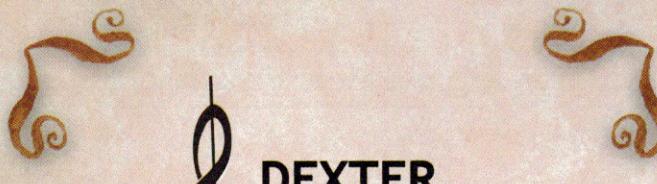

Established in 2005, the Dexter Community Orchestra is dedicated to cultural enrichment through live musical performance.

We are proud to offer a place for local musicians to play and an opportunity for individuals and families to experience the magic of live classical music.

Concerts are attended by over 400 members of the local Dexter community, with our annual holiday concert reaching nearly double that number.

In addition, the DCO kicks off the Dexter Chamber of Commerce Summer Music Series at the Monument Park Gazebo.

The Dexter Community Orchestra is a non-profit organization under section 501(c)(3) of the Internal Revenue Code.
